## Just for Fun

Sometimes I wonder if men and women really suit each other.

Perhaps they should live next door and just visit now and then. (Katherine Hepburn)

As I get older, I remember all the people I lost along the way. Maybe my budding career as a tour guide was not the right choice.

My senior relatives like to tease me at weddings, saying things like “You’ll be next!” They stopped once I started doing the same at funerals!

## We Need Your Help!!!

We would appreciate you encouraging your friends and people in your neighbourhood to come and experience how easy it is to bowl and our social life. Everybody, young or “a little older” are all welcome to join. For more information, please contact Rod Whitehouse on 0408 399 028. Many thanks for your cooperation in trying to keep our club numbers healthy.

## Sponsorship

A great way to help our club financially is to encourage any organizations you have contact with, to become one of our sponsors. It’s also another way to gain new members by encouraging them to visit our club, either for drinks on a Thursday or Friday evening, or to learn the game. Let them know their company will be displayed on our rinks and in our newsletter.
