## ***Heatherdale Bowls Club News***

**15th February 24**

### **What's New**

It was good to see Brian Ross-Soden and Alan Moore back on the green this week. Best wishes for your continuing recovery.

Hopefully Donna Watson will soon be back on the greens and 100% after her ankle injury.

It was disappointing to receive the news Noel Tripp has been back in Traralgon hospital recently. Noel is still living in Traralgon with family at this stage. We wish him all the best and a speedy recovery.

Tuesday side 2 and 3 had their games cancelled this week due to the fire danger in Monbulk and Donvale. After both teams had a short practice at home, we were lucky to then be able to return to the comfort of our cooler homes.

Tuesday Pennant Sides 1 and 3 are in a good position to be in finals at this stage. We wish them all the best for a good game next Tuesday.

The Footy Season is only a few weeks away and once again Gunter is running a Tipping Competition. The information sheet is located next to the chocolate table. The cost is \$10 for the season. Please fill in the form and give to Gunter with your \$10 in the next week or so.

Don't forget to contact me, Di Tew on my email [dmtew8@gmail.com](mailto:dmtew8@gmail.com), if you have any news item you would like included in our weekly newsletter. Please let me have your information no later than the Wednesday morning prior to publication.

### **Reminder**

It is a real challenge for all of us to find (and retain) new club members. Club members are reminded that if you require a membership application form, they can be found just outside the office doorway or on the club website. Applications for new social members can be found at the same places. The pennant season home and away games are drawing to a close, but the recruitment of new bowlers to the club is ongoing.

For further information on recruitment phone Rod Whitehouse on 0408 399 028.

### **Personal Care and Wellbeing**

As COVID is still in out there and rather a lot of people unwell, please remember to wash your hands when entering the club rooms. The best way to protect our members and stay well.
